

On the **ninth** day of *Christmas* Sensation**ALL** gave to me_

BINGO

On the next page is a grid with Christmas images - print the page, cut out each item individually and place them in a bag/container (make sure you can't see through it!)

The rest of the pages have your bingo cards, print them for the players (up to 9)

To play, pull one image card from the bag at a time

If it matches with one on your bingo card cross it off or place a token on it (use what ever you have round the house as tokens - then you can use the cards again and again)

The winner is the person who fills their bingo card first and shouts "BINGO!"

Christmas

B I N G O

	<p>jingle bells</p>			
			<p>Merry Xmas</p>	
		<p>Free</p>		
				
				

Christmas
